

Misc.

23 November 1953

Memorandum for: Assistant Director, OCD

Subject: Request for Photostatic Copy

This office would appreciate having a photostatic copy of a report issued by a House Committee on 9 June 1846. There was both a majority and a minority report; the subject matter being the use of funds by Daniel Webster and including before the Committee the appearance of former President Tyler. I would also appreciate knowing whether there were any printed hearings in connection with these reports.

Walter L. Pforzheimer
